

Saneex PRO®

Automatic Sanitizing Toilet Seat equipped with **Saneex®** robot technology, which thoroughly sanitizes the surface before and after each use while neutralizing odors. Engineered to be safe, long-lasting, and easily installed in any toilet in high-traffic locations.

Ideal for Airports, Malls, Shopping Centers, Schools, Campus, Hospitals, Arenas, Movie Theatres, Hotels, Cruise Lines, and every high-traffic location that wants to prevent the spread of germs while delivering an excellent user experience.

Commercial-Grade Self Sanitizing Robotic Toilet Seats

Note: Disinfecting surfaces with bleach and other disinfecting products is one of the ways to help stop the spread of COVID-19, according to the Center for Disease Control and Prevention (CDC).

While our product is tested with all major chemical brands, our robot prefers Clorox®
